Sir,

In continuation of my letter No.8060 dated 22nd February 1917, I have the honor to state that the Revenue Commissioner in -- Mysore intimates in his letter No.C.1568 dated 5th March 1917 that he is unable to spare any Veterinary graduate as his Department is short handed now. I would therefore point out that unless the appointments in this Department are made permanent it is not possible to secure veterinary graduates now as there is a great demand for them not only in the Civil Veterinary Department but also in the British service both in India and Overseas, at much higher rates of pay than those offered in this Department. Early orders of Government may be kindly obtained in the matter.

I have the honor to be,
Sir,
Your most obedient servant,

Personal Assistant,
to Chief Commandant,

To,

the Maharaja of Mysore, General Department.

Sir,

With reference to your letter No.G 13794/Mily 92-16-12 dated 12th April 1917, I have the honor to state that a graduated scale of pay viz., Rs 75/- to start with rising to a maximum of Rs 150/- may attract really good Veterinary graduates to take up these posts

2. In the British Indian Army there are no graduates passed from the Indian Veterinary Colleges. They only have salustries trained in the Military Veterinary classes. Recently however, duly qualified Veterinary graduates are also admitted as Veterinary Assistants in Supply and Transport Corps and the minimum pay allowed to such candidates is Rs 100/- vide I.A.O. No.204 dated 26th February 1917 and also the condition of employment - (copies attached).

3. In the circumstances I recommend that Rs 75/- may be allowed in the case of Veterinary graduates to be employed in the Mysore Army..

I have the honor to be,
Sir,
Your most obedient servant,
